SONY

MODEL VPL-EX3

Versatile XGA Projector

2000 ANSI lumen (with 1500 ANSI lumen mode)

The VPL-EX3 is ideal for use in small to medium sized classrooms, training and meeting rooms. High brightness and XGA resolution enhance the display and ensure clarity of fine details within graphs, drawings and spreadsheets.

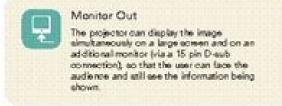

Brightness can easily be switched between high and standard mode (2000 or 1500 ANSI lumens) to suit room conditions and screen type. The front exhaust directs the heat away from the audience and the aspect ratio can be changed from 4.3 for data projection to 16:9 for watching movies.

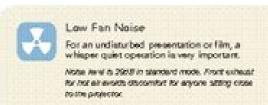

The VPL-EX3 is suitable for mobile use and is also ceiling mountable. It has a wide range of inputs and outputs including monitor and audio outputs. The VPL-EX3 accepts high definition inputs.

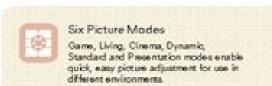

Key Features

Two RGB Inputs Two 15-pin D-sub inputs allow for flexible connection. Both Input-A and Input-B accept ROB or Component signals. Connections include a RS-232C port for management and control of the projector.

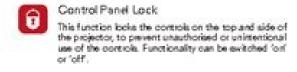

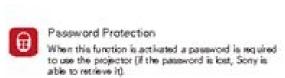

Additional Features

like.no.other~

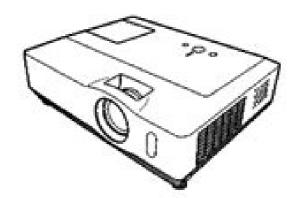

SERVICE MANUAL

SM0312

CP-X201(C14B-20) CP-X301(C14B-25) CP-X401(C14B-30)

⚠ Warning

The technical information and parts shown in this manual are not to be used for: the development, design, production, storage or use of nuclear, chemical, biological or missile weapons or other weapons of mass destruction; or military purposes; or purposes that endanger global safety and peace. Moreover, do not sell, give, or export these items, or grant permission for use to parties with such objectives. Forward all inquiries to Hitachi Ltd.

Caution

Be sure to read this manual before servicing. To assure safety from fire, electric shock, injury, harmful radiation and materials, various measures are provided in this Hitachi Multimedia LCD Projector. Be sure to read cautionary items described in the manual to maintain safety before servicing.

Service Warning -

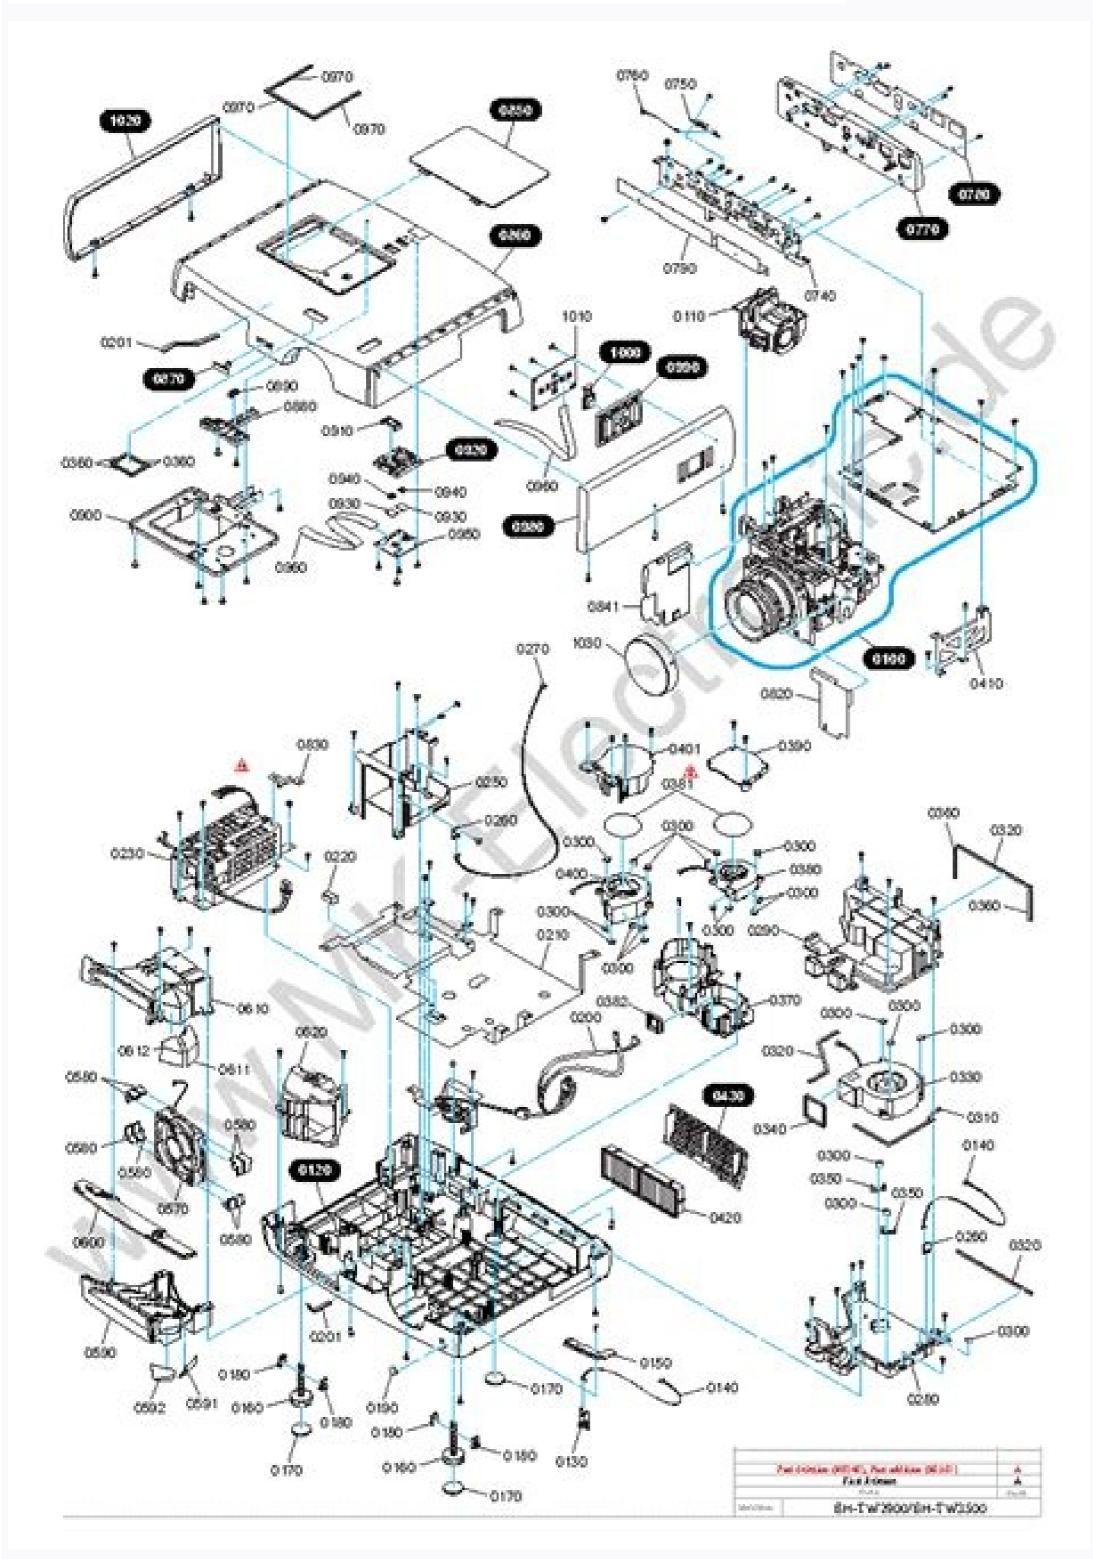

- 1. When replacing the lamp, avoid burns to your fingers, the lamp becomes very hot.
- Never touch the lamp builb with a finger or anything else. Never drop it or give it a shock. They may cause bursting of the builb.
- This projector is provided with a high voltage droult for the lamp. Do not touch the electric parts of the power unit (circuit) or the power unit (ballast) after turning on the projector.
 Do not touch the exhaust fan during operation.
- The LCD module assembly is likely to be damaged. If replacing the LCD LENS/PRISM assembly, do not hold the FPC of the LCD module assembly.
- 6. Use the cables which are included with the projector or as specified.

from VAC (the anti-treatment vigor system) in a game, loses the right to reimburse that game. Video content on Steam (for example, movies, short, series, episodes and tutorials), unless the video is in a package with other reimbursed inside
the reimbursement permit of 14 days/two hours. Rated gifts can be reimbursed in the same conditions if the recipient of gifts begins reimbursement. The funds used purchase the gift will be returned to the original buyer. EU Right to Retirement For an explanation of how the EU's right to withdraw for Steam customers works, click here. Refunds of
abuse are designed to eliminate the risk of buying titles in enAs a way to get free games. If it seems to us that you are abusing reimbursements, we can stop offering them. We do not consider the abuse to request a reimbursement, we can stop offering them.
request a refund or get another help with your Steam purchases by Help.steampowered.com. Last update on November 10, 2020 Page 5 You can request a refund for almost any purchase in Steam, for any reason. Perhaps its PC does not meet hardware requirements; Maybe you bought a game by mistake; Maybe you played the title for an hour and
simply did not like it. No matter. Valve, on request through help.steampowered.com, will issue a reimbursement for any reason, if the application is made within the required return permit and, in the case of the games, if the title has been played by less than two hours. There are more details below, but even if it falls outside the reimbursement rules
that we have described, you can ask for a refund anyway and we will take a look. You will receive the reimbursement in steam wallet funds or through the same payment that used to make the purchase. If, for some reason, Steam cannot issue a reimbursement
through your initial payment, your steam wallet will be accredited the total amount. (Some payable ones available through Steam in your country may not admit the reimbursement offer, within two weeks after purchase and with less than two hours of
game time, applies to software games and applications at the Steam store. There is a general description of how reimbursements work with other types of seroiretsop saAd ecrotac sol ed ortned elbasilitu maetS ed adneit al ed
odinetnoc(elbagracsed odinetnoc le ne soslobmeeR And if the underlying title has been played for less than two hours since the DLC was purchased, as long as the DLC has not been consumed, modified or transferred. Keep in mind that in some cases, Steam will not be able to return the reimbursements for third -party algoses (for example, if the
DLC irreversibly levels a game character). These exceptions will be clearly marked as not reimbursement for purchases in the game has not been
consumed, modified or transferred. Third -party developers will have the option of enabling the refunds of the game in these terms. Steam will tell you at the time of purchases in the game in games are not worth not
reimbursable through Steam. Refunds in pre-comprehered titles when you pre-pour a cutle in Steam (and have paid for the twist in advance), you can request a reimbursement at any time before the release of that title. The period of 14 days/two hours reimbursement at any time before the release of that title.
can request a refund of Steam Wallet's funds within fourteen purchase days if they were bought in Steam and if you have not used any of those funds. Renewable subscriptions for some content and services, Steam offers periodic access (for example monthly, annual) that pays recurrently. If a renewable subscription has not been used during the
current billing cycle, you can request a reimbursement within 48 hours following the initial or within 48 hours of any automatic renewal. Content is considered used if games have been played within the subscription during the current billing cycle or if they have been used, consumed, any benefit or discounts included in the subscription
subscriptionor transferred. Please note that you can cancel an active subscription will no longer be automatically renewed, but you will retain access to the content and benefits of the subscription until the end of your current billing cycle. Steam Hardware Within
the plot and applicable time process identified in the hardware reimbursement policy, you can request a refund for any package purchased through Steam. Refunds on package purchased that none of the items in the package has been transferred, and if therefore the plot and applicable time process identified in the hardware reimbursement policy, you can request a refund for any package purchased through Steam. Refunds on package purchased through Steam hardware reimbursement policy, you can request a refund for any package purchased through Steam hardware reimbursement policy, you can request a refund for any package purchased through Steam hardware and accessories purchased through Steam hardware reimbursement policy, you can request a refund for any package purchased through Steam hardware and accessories purchased through Steam hardware and accessories purchased through Steam hardware reimbursement policy, you can request a refund for any package purchased through Steam hardware and accessories purchased through the steam hardware and accessories purchased through the steam hardware and accessories 
time of use combined for all items in the package is less than two hours. If a package is less than two hours. If a package is refundable during check-out. Purchases made outside the steam (e.g. CD keys or steam wallet
cards purchased from third parties). VAC Professions If the Anti-Cheat System has banned VAC (the anti-trade valve system) in a game, it loses the right to refund that game. Video Content We cannot offer reimbursements for video content on Steam (e.g., movies, shorts, series, episodes and tutorials), unless the video is in a package with other
reimbursable content (no video). Refunds on unrecovered gifts can be refunded within the standard 14-day/two-hour reimbursement period. The funds used to buy the gift will be returned to the original buyer. EU Right of Retreat For an
explanation of The EU retirement right for Steam customers works, click here. Abuse reimbursements are designed to eliminate the risk of buying cuts in Steam, not as a way of obtaining free games. If it seems to us that you are abusing reimbursements, we can stop offering for you. We do not consider the abuse to request a reimbursement in a title
that was purchased just before a sale and immediately reconstructing that title for the sale price. You can reguest a refund or get another help with your Steam purchases by Help. Steampowered.com. the Consumer Privacy Law of California ("CCPA"), The general data of the European Union. Regulation of protection ("GDPR"), the United Kingdom GDPR and the Swiss Privacy Shield and EU frames. 1. Definitions where we talk about personal data below, we refer to any information that can be identified as an individual ("identification information informati
or that you can connect with you indirectly linking it with personal identification information. Va; lvula also processes anoms, aggregates or not, to analyze and produce statistics to to the habits, usage patterns, and demographics of customers as a group or as individuals. Such anonymous data does not allow the identification of the
customers to which it relates. Valve may share anonymous data, aggregated or not, with third parties. Other capitalized terms in this Privacy Policy shall have the meanings defined in the Steam Subscriber Agreement ("SSA"). 2. Why Valve Collects and Processes Data Valve collects and processes Personal Data for the following reasons: a) where it is
necessary for the performance of our agreement with you to provide a full-featured gaming service and deliver associated Content and Services; b) where it is necessary for compliance with legal obligations that we are subject to (e.g. our obligations to keep certain information under tax laws); c) where it is necessary for the purposes of the legitimate
and legal interests of Valve or a third party (e.g. the interests and rights; or d) where you have given consent to it. These reasons for collecting and processing Personal Data determine and limit what Personal Data we collect and how we use it
(section 3. below), how long we store it (section 4. below), who has access to it (section 5. below) and what rights and other control mechanisms are available to you as a user (section 6. below). 3. The Types and Sources of Data We Collect 3.1 Basic Account Data When setting up an Account, Valve will collect your email address and country of
residence. You are also required to choose a user name and a password. The provision of this information is necessary to register a Steam User Account, the account without directly exposing Personally Identifying
Information about you. We do not require you to or use your real name for the configuration of a Steam user account. 3.2 Transaction and payment data to Make a transaction in Steam (for example, to buy subscriptions for content and services or to finance your steam wallet), it is possible that you must provide payment data to Valve to enable
transaction. If you pay with a crib card, you must provide technical information of the Críito card (name, address, child card number, expiration date and safety code) Lvula will process and transmit to the payment service provider of your choice to enable transaction and perform anti-fraud controls. Similarly, Valve will receive data from your
payment service provider for the same reasons. 3.3 Other data that we will send explicitly, we will collect and process personal data provided that it provides community or when it provides comments or other user generated content. These
data include: information that publishes, comments or follows any of our contents and services; Information to process your orders with the relevant payment merchant or, in case of
physical goods, shipping suppliers; Information that provides us with participating in competitions, competitions and tournaments or responding to surveys, p. Your contact details. 3.4 Its use of the Steam client and websites compile a variety of information through its general interaction with the websites, content and services offered by Steam. The
personal data we collect can include, but are not limited to the information of the browser of the device, data collected through automated electronic interactions and application usage data. Similarly, we will track your process on our websites and applications to verify that it is not nu se euq ,PI n³Ãiccerid us nartsiger serodivres sortseun ,soicivres

commercial purposes. 5.1 The valve and its subsidiaries can share their Personal Data with each other and use them to the extent necessary to achieve the purposes listed in section 2 above. In case of reorganization, sale or merger, we may transfer Personal Data to the relevant third party subject to applicable laws. 5.2 We can also share your
Personal Data with our third-party service services in relation to goods, content and services in relation to goods, content and services distributed through Steam. Your Personal Data will be used in accordance with this Privacy Policy and only in what is necessary to perform customer service services. 5.3 According to the Internet standards, we can
also share some information (including your IP address and the Steam content identification you want to access) with our third-party network providers that providers that providers allow the delivery of digital content you
have requested, for example, by using Steam, using a distributed server system that delivers the content, based on its geographical location. 5.4 Google Analytics uses cookies to help website operators analyze how visitors use the site. The
information generated by the cookie about the use of the website of visitors will generally be transmitted and stored by Google on servers in the United States. On this website, IP anonymity has been activated. The IP addresses of users visiting Steam will be shortened. Only in exceptional cases full IP address to a Google server in the United States.
and will be shortened there. On behalf of the website operator, Google will use this information for the purpose of the website activity, and to provide other services relating to website activity, and internet usage for website operators. Google will not associate the IP address transferred in the
context of Google Analytics with any other data held by Google. You may refuse the use of cookies by selecting the appropriate settings on your browser. However, please note that in this case you may not be able to use the full functionality of this website. You can learn more about how Google Analytics collects and uses data at
www.google.com/policies/privacy/partners. Furthermore, you can prevent Google's collection and processing of data about your use of the website, by downloading and installing the browser plug-in through the following link: . 5.5 We make certain data related to your Steam User Account available to other players and our partners through the
Steamworks API. This information can be accessed by anyone by querying your Steam ID. At a minimum, the public persona name you have chosen to represent you on Steam and your Avatar picture are accessible this way, as well as whether you have chosen to represent you on Steam and your Avatar picture are accessible this way, as well as whether you have received a ban for cheating in a multiplayer game. The accessibility of any additional info about you
can be controlled through your Steam Community user profile page; data publicly available on your profile page can be accessed automatically through the Steamworks API. In addition to the publicly available information, game developers and publishers have access to certain information from the Steamworks API directly relating to the users of the
games they operate. This information includes as a minimum your ownership of the game in question. Depending on which Steamworks services are implemented in the game it may also include leaderboard information, your progress in the game, achievements you have completed, your multiplayer game y seyel sal o selaiciduj senedra and a selaiciduj sen
